QUALITY & CRAFTSMANSHIP SINCE 1964

Extended Warranty Programs

Our extended warranty programs are an important part of Threadgill Sheet Metal Works' continuing commitment to quality and craftsmanship. How they work is simple--our extended warranties double your protection. We dare our competitors to match them, so far none have.

Double lock--The double lock extended warranty adds a five years of leak free protection to your roof. Coupled with our standard Five Year Leak Free Performance Warranty ® that's a full ten years of protection.
